For more information, please see our [FAQ page](#).

If you have any further questions, please don't hesitate to contact our friendly Customer Service team [here](#).

Passports and visas

Please ensure your passport is valid for at least six months after the last day of your tour. Some countries will refuse entry if you do not have at least six months validity remaining on your passport after your departure date. Depending on your nationality, you may require a visa to enter certain

countries.

It is your responsibility to obtain visas prior to your tour's departure. To determine which visas you'll need, you can consult either your own government's website or the government websites of the countries in which you will be travelling.

Please note: Some visas can take up to six weeks to acquire, so don't leave it until the last minute. Also, bear in mind that the validity of a visa often runs from its date of issue rather than the date of entry into the country. Please check with the appropriate embassy/embassies prior to departure as requirements do change periodically.

We advise you to either carry a photocopy of your passport (and visa, if applicable) with you while abroad, or to ensure that you leave a copy with relatives back at home. This will enable the local embassy or high commission to arrange a replacement if the original should be lost or stolen. If you do take copies with you on your tour, please ensure that you keep these separate from your original documents.

Medication and mobility

Whilst on your tour, we want you to have the smoothest journey possible which requires x mobility conditions:

- You must be fit enough to get on and off the vehicle on a regular basis, and to walk around towns and villages or to attractions.
- You must be able to walk up and down stairs and use a shower over the bath.

Please note that, unfortunately, we are unable to accommodate mobility scooter or wheelchair users as we frequently stay in traditional-style hotels and the majority do not have lifts or ground-floor rooms.

Please declare any medical conditions you may have in advance of your tour. If you are in any doubt as to whether our tours are suitable for you, please contact our friendly Customer Service team [here](#).

Mental health and wellbeing

Culture shock, homesickness and periods of feeling down happen regardless of age. Be rest assured that if you're feeling low, your Tour Leader and Driver will do their utmost to make you smile.

Measures you can take to look after your mental health and wellbeing while on the road with us are:

- Call loved ones. Hearing a familiar voice whilst in an unfamiliar destination can help ground you and remind you you're not alone.
- Eat well. Nobody feels their best when they're hungry. There are plenty of nutritious culinary delights to be savoured along the road!
- Integrate with your fellow guests. The more you socialise with the group, the less likely you'll feel homesick.

Transport

We travel in premium mini-coaches equipped with comfortable seats, air conditioning and large windows for enjoying the view.

With far more flexibility than a standard-size coach, we're able to take the scenic route – winding through beautiful countryside to the heart of tiny villages and coastal towns.

Will I have regular access to Wi-Fi?

Most accommodation we stay in will offer free Wi-Fi as well as many restaurants and cafes you may visit. If you would like more regular internet access without large roaming fees, you can purchase a Back-Roads Touring eSIM [here](#).

FAQs

What's the weather like?

The weather in England is famously unpredictable! Generally, summer can be warm and sunny but rain and cloudy skies are still possible. Autumn and winter are cool, wet and windy. We suggest packing for changeable weather – layers, an umbrella and a trusty raincoat will be essential.

Which type of hotels will we stay in?

Our thoughtfully selected accommodation is full of charm and historic details – expect elegant country inns, grand town centre hotels and even the odd castle! For this reason, rooms vary in size, and most hotels don't have lifts – meaning you'll likely need to access your room via stairs. Porterage will be included wherever possible.

Although air conditioning is mostly unavailable in historic buildings, fans will be provided during hot spells. Most hotels have bathtubs with overhead showers (rather than walk-in showers), so you'll be able to enjoy a soak at the end of the day. It's common for kettles to be included in rooms in England, ready for you to make a refreshing cup of English tea!

Is there an option to do this tour in reverse?

Currently, this tour is available in one direction. We'll start our journey in majestic Edinburgh and trace our way down the East of England, before finishing our travels in vibrant London.

That's everything!

We can't wait to welcome you on tour.
